### PROGRAM: Maniti Pacaya Voyage [7D/6N]

#### DAY 1: MONKEY ISLAND / DOLPHIN WATCHING / VISIT WITH LOCALS

- ✓ Depart Iquitos To Camp - Early morning departure from Iquitos City via auto to arrive in the port town of Nanay (Bellavista), where the Rio Nanay meets the Rio Amazonas. After departing by boat we will travel down river about 2 hours. During the riverboat trip you will have a great possibility of seeing caimans, turtles, herons, pink river dolphins, snakes, and many other species of flora/fauna along the riverbank. Along the way you will also be able to enjoy the sightings of different Indian settlements.
- ✓ Monkey Island, a small island about 15 minutes from the Maniti Lodge, which shelters a large number of monkeys in their natural habitat. During your visit on the island you will have the unique opportunity to observe and interact with a tremendous variety of monkeys in the natural habitat. Varieties include: Sloth, Goeldi's monkey, Tamarin monkey, Capuchin monkey, Yellow-Handed Titi monkey, Masked Titi monkey, Cebidae monkey, Woolly monkey, Squirrel monkey, Spider monkey, South American Coati monkey, and many more! Along with the various species of monkeys you will have to opportunity to hold a very large Anacondas, Boas and interact with the very unique and rare Amazonian mata-mata turtle. At Monkey Island we will also see alligators, turtles, toucans, macaws, parrots, etc.
- ✓ Dolphin watching session at the camp where we will have the unique opportunity to see the pink freshwater dolphin. If we are lucky we will also have the chance to swim with them on the main Amazon River.
- ✓ Dinner will be served in the evening
- ✓ Visit with a local native community to learn and observe the local people's life and customs.
- ✓ Overnight at Maniti Lodge.

## DAY 2: DAY HIKE / PIRANHA FISHING / CAIMEN EXCURSION

- ✓ Early morning breakfast will be served followed by a jungle walk where we will have the unique opportunity to see a vast number of monkeys (13 species), birds (449 species), and many other wildlife interact in their natural habitat. We will also see and learn about various types of Amazonian medicinal plants
- ✓ Afternoon fishing via canoe for piranha, peacock bass and other species of fish.
- ✓ We will return to Maniti Lodge to have dinner.
- ✓ After sunset we will go on an excursion via canoe to spot and catch caiman, we will have the opportunity to hold, touch, and take photos with the caiman.
- ✓ Overnight at Maniti Lodge.

## DAY 3: WILDLIFE SPOTTING / PALO ALTO / NIGHT EXCURSION

- ✓ We will begin our day early, waking up in time to see the sunrise over the Amazon River, have breakfast, and leave the Maniti Camp Lodge for 1.5 hour hike through the jungle to arrive at "Palo Alto Mirador" with opportunity to spot wildlife (various species of monkeys, birds, etc.).
- ✓ **Palo Alto** – A very unique attraction in Iquitos. The "Palo Alto Mirador" is a lookout point that has 3 different observation deck levels. Here guests have a birds-eye view of the Peruvian Amazon from 10, 20, and 30 meters above ground. Here we will have the opportunity to spend the night in the trees, 30 meters about ground, with excellent opportunities to observe various species of wildlife in their natural habitat.
- ✓ In the evening we will go on a night time nature walk to see what types of species can be seen (lizards, snakes, spiders, monkeys).
- ✓ Overnight at Palo Alto.

## DAY 4: IQUITOS / VICTORIA REGIA / FLOATING MARKET BELEN / PACAYA SAMIRIA
